

PLAYER LOAN ACKNOWLEDGEMENT FORM

The purpose of this form is to formalize the process for **F.O.R.** teams borrowing player(s) from another **F.O.R.** team.

- * Note: Teams can only borrow players if the *number of available players* on the team falls below the minimum player requirement. Unless the particular tournament or league has a minimum player rule, less than 8 *players is F.O.R.'s guideline*. Also, teams can only borrow enough players to meet the minimum requirement.

The process: Coach or Parent Rep of the team wanting to borrow a player, must get authorization from the coach of the team they wish to borrow from. This is done to ensure good ethics, and that the coach and parent rep *are* aware of the loan. After getting these sign-offs, the form **MUST** be submitted, along with a revised roster, to the Commissioner for approval.

- Both coaches keep a copy and submit the original to the F.O.R. Commissioner (Boys/Girls) for approval
